Re: United States v. Dominic Caramanica
11 Cr 26 (JG)

Dear Judge Gleeson:

Today, a bounce appeared on ECF system as to Dominic Caramanica. The notice states that the government made an application to Your Honor to file a document under seal which was granted. If the sealed document relates in any way to the Fatico hearing scheduled for March 21st before Your Honor, I am respectfully requesting that the document be ordered unsealed to the extent that it may immediately be provided to me, subject, of course, to whatever restrictions Your Honor deems appropriate.

Respectfully yours,
/JRF/
